

Healthy Mothers/Healthy Babies— the Montana coalition

TRANSPORT YOUR CHILD SAFELY!

Use a properly installed child safety seat
or “big kid” booster seat.

Call our Helena office for a certified
technician in your area:

1-800-421-6667

Or, find a fitting station near you at:

www.hmhb-mt.org

- Most crashes occur near home
- Even crashes at lower speeds can be violent
- **No one** can hold on to a child during a crash... the forces are simply too strong
- **4** out of **5** car seats are used or installed incorrectly

**Is YOUR child's safety
seat installed correctly?**

Call **1-800-421-6667** today
for free technical assistance!
